

Collection **2024**  
by Confab

For more than 28 years in the furniture market, Multimóveis was born with the DNA of innovation and entrepreneurship. Throughout this journey, attention and respect for different cultures and customers assured our presence in over 40 countries and 5 continents. With cutting-edge technology, we strive for superior finish and design. In our core is also the commitment to caring for every step of the process: We use wood raw material from reforestation, contributing to the preservation of the environment. Love what you do: This is the secret to our successful journey. In the center of it all is our customer, our top priority and greatest asset.

## CONFAB DESIGN

Introducing Confab, a furniture design studio based in Brasília, Brazil, which is part of the award-winning Choque Design studio. Led by a multidisciplinary team, Confab is committed to democratizing good design, with special focus on sustainability and social responsibility. Within this context, Dimitri Lociks, designer and one of Confab's many talents, brings his passion for furniture design that combines aesthetics and functionality. His innovative and sustainable approach represents a new vision in the field. With these new collections, Confab and Multimóveis invite you to explore a universe of elegance and practicality, where each piece is carefully designed to embrace different lifestyles, bringing beauty and functionality to the most diverse environments.

## **GIRO** COLLECTION

From the Portuguese expression “Giro,” which means beautiful, funny, or pleasant in Brazilian Portuguese, an extensive furniture collection is born. These pieces, with their rounded corners and minimalist shapes, embody all the charm of the Lusitanian slang. The Giro collection features a modular, multifunctional, customizable, and dismantlable design.
